Conversation with the playwright/creators Wesley Savick and Larry Jay Tish

## PERFORMANCES TO FOLLOW

**Trouble on Six** - Piece of Tish Work and Handbook of Civilian Defense – JUVENILIA

***Handbook of Civilian Defense (What Every Loyal American Can Do To Help The United States Win The War)*** [JUVENILIA] A word-for-word theatrical adaptation (with original music) of the 1942 government handbook published to prepare families for uncertainty and violence, then and now, written by Suffolk University Theatre Department Professor Wesley Savick. Handbook summons the anxiety, ignorance and hopefulness of an eighty-year-old public service announcement to awaken 21st century world citizenship.

***Trouble On Six*** [Piece of Tish Work] If you were conceived to fix your parent's marriage, obsess over whether people like you, and have visited your dad in prison, then this show is for you! Left to raise himself by his swingin', fun-lovin', felonious parents, Larry disappeared. Finding his way back meant knowing when to let go and when to say no! Larry's journey includes a chat with Captain Crunch, being chased off a golf course by Nazis, and a guide to when to Garfunkel. A play by Larry Jay Tish.
